DAN BRIGGS SEEKS IMPORTANT OFFICE

Asks for Democratic Nomination to the Office of Sheriff.

Dan Briggs announces himself in this issue of The Courier as a candidate for the office of Sheriff of Fulton County. Dan needs no introduction to the voters as he is well known throughout the county, having spent the past 16 years of his life in this city. For eleven years he has been connected with The Muegel Company of this city and has always shown himself to be trustworthy and dependable to the utmost, having the highest respect of both the employers and employees with whom he has been associated during his connection with that concern.

As a man of limited means and one who has worked for a salary year in and year out, Mr. Briggs presents himself to the voters for consideration in selecting a nominee for the office he seeks, believing that he is fully capable of handling the duties which devolve upon such an official with as much facility and efficiency as any other man.

He does not claim any superior qualifications over other men for the office, but does claim an equal fitness, and he believes that he is qualified to discharge the duties of Sheriff. He has never held an office or been a candidate for an office. If elected he promises to bring to the office his very best. He believes he can make Fulton County an acceptable officer, and, should he be selected, he will show no favoritism and will treat everyone alike in the discharge of his duties.

In politics, Mr. Briggs has always been allied with the Democratic party. He comes from Democratic forebears and it is to the Democrats that he submits his candidacy and asks for their support.

He is at present employed, but will, in due time, make it a point to see every voter in the county. In the meantime, he respectfully asks the voters of Fulton County to consider him for the office at the August primary and if you believe him qualified and capable to discharge the duties of sheriff, no man in Fulton County would appreciate your support more than he.

FISCAL COURT ORDER.

Fulton County Court, Regular Term, Feb. 1, 1921.

Regular term of Fulton County Fiscal Court convened at the Court House, Hickman, Ky., at 9 o'clock a. m. this the 1st day of February, 1921, with the Hon. E. J. Stahr, present and presiding.

The following Magistrates being present and answering to roll-call: Esq. W. O. Shankle, Esq. C. D. Nugent, Esq. W. T. Barton and Esq. H. G. Shaw.

In view of the fact that the floating indebtedness of Fulton County is approximately \$200,000.00 due and payable to various and diverse persons and considering that the government and states are endeavoring to retrench and cut down expenditures and that individuals are conducting their business on a smaller scale in an effort toward readjustment and further considering that the Fiscal Court must cut expenditures in every way and that it would be best for the County and all persons concerned to cut expenditures except in cases of emergencies and further considering that now is the appropriate time to suspend operations and to cut out all expenditures due to the fact that the roads are all well crowned and can be maintained with the drag and all bridges and culverts have been repaired and are in good condition and that it is not necessary to make any fills except possibly some patch work and that no fixtures or supplies are necessary for any purpose except some provisions for the inmates of the County Farm, therefore, it is the order of this Court on motion which prevailed, that all road work be suspended and that no expenditures be made for anything except in cases of emergencies and that no warrants issued whatsoever for anything except for current expenses of County Government until further orders of this court.

E. J. Stahr, Judge.
O. C. Henry, Clerk.

CHAS. NUGENT FOR CO. JUDGE

Popular Young Magistrate Seeks Higher Office.

In our announcement column this week will be found the name of Charles D. Nugent for county judge. Mr. Nugent is at present magistrate of District No. 2 and has made an excellent official. He feels that in view of his experience with the county court he is fully qualified to fill the office which he seeks. He has been a worker for the Democratic party and feels that he is entitled to some consideration for this.

Mr. Nugent made the race for County court clerk seven years ago against Clerk Roper. He was beaten by only 146 votes, and when it is remembered what a runner Mr. Roper was it can be seen that Mr. Nugent is some runner himself.

Mr. Nugent has scores of friends in all sections of the county, and has had much encouragement to make the race for county judge. It is our opinion that he is going to be hard to beat. He is young, enthusiastic and full of hustle. If elected he promises to give the people the best administration of which he is capable.

Later on in the primary he will make a thorough canvass of the county, and will endeavor to see all the voters, both men and women, personally. In the meantime he asks that his friends refrain from pledging support until he has had an opportunity of presenting his claims.

Mr. Nugent's candidacy is subject to the action of the Democratic primary in August, 1921.

A GOOD MAN GONE

Fulton county lost one of its staunch and reliable old citizens in the death of Hezekiah Lamatus Friday morning at 9:30. Death was due to senility. Mr. Lamatus having reached the ripe old age of 77 years.

The deceased was born May 20, 1843, and was married to Miss Bettie Sutton, who survives him, June 2, 1878. To this union were born six children, four boys, Thomas, Billie, Johnnie and Delmar, and two daughters, Mrs. W. T. Shankle and Mrs. B. T. Haynes all of whom survive him.

The funeral was conducted from the West Hickman Baptist church at 2 o'clock Sunday afternoon, with interment at the City cemetery. Services were in charge of the Rev. E. M. Bragdon of Martin and the Rev. G. S. Jones, pastor of the West Hickman Baptist church.

Mr. Lamatus was one of the substantial farmers of this community and well known throughout this part of the county, having lived for the past fifteen years or more near Hickman.

The Courier extends sincerest condolences to the bereaved family.

Louise and Allen Posey, of Blytheville, Ark., are visiting B. W. Posey.

H. L. Amberg left Sunday for St. Louis.

LON PALMER WOULD BE JAILER

Popular Fultonian Will Make Race for This Office Again.

In our announcement column this week will be found the name of Lon Palmer. Mr. Palmer, after a great deal of urging on the part of his friends, has again consented to make the race for Jailer of Fulton County, subject to the action of the Democratic primary in August, 1921.

Mr. Palmer made the race at the last primary, and ran a very strong race. He was born and reared near Fulton, and has many friends throughout this section. He lived in Hickman for nine years, having removed from here to Fulton two years ago last September, and will no doubt poll a large vote here, having been living in Fulton for the last year.

Mr. Palmer would make a good official. He is honest, faithful in the discharge of his duties, courteous in his dealings with people, and is altogether a man to be trusted. He promises, if elected, to give the taxpayers the best services of which he is capable.

Later on in the primary, he will make a thorough canvass of the county, and will try to explain his claims to every voter, both men and women. In the meantime he asks his friends to refrain from pledging support until he has had a chance to present his claims.

J. B. Cochran, who has been quite sick, is reported improving.

RENNENBERG GETS IMPORTANT POST

Is Signally Honored by Episcopal Diocese of Kentucky.

The Rev. W. F. Rennenberg, rector of St. Paul's church of this city, was in Louisville last week attending the meeting of the Episcopal diocese of Kentucky. This important convocation elected him to the position of secretaryship of the diocese, which position he has been occupying during the past year, having been appointed to fill out the unexpired term of the former secretary. He was elected without opposition, and the distinction is especially noteworthy in that his election is the second during a period of ninety-three years of any one outside of the city of Louisville to that post. This makes permanent one of the secretaryships through which he had attained the name of the "most secretarial man in the state," already holding that office in thirteen or fourteen different organizations.

Secretary Rennenberg was also elected to be one of the three clergy delegates to the Provincial Synod of Sewanee, which meets in Atlanta in November.

Mr. and Mrs. W. T. Pendleton left Tuesday for Hot Springs, Ark., where they will spend a three weeks' vacation.

Mrs. W. A. Moore has been on the sick list, suffering from the grip.

WALTER I. SHUPE FOR SHERIFF

Young Fulton Man Has His Ambition Set for Higher Position.

Walter I. Shupe, who was for several years an officer in Fulton, in this issue of The Courier makes his announcement for sheriff.

Mr. Shupe is 35 years of age and as full of energy as an electric dynamo. For three and a half years he was a police officer for the city of Fulton, and for the last three and one half years has been a deputy sheriff and special officer for the Illinois Central railroad company.

During the last seven years he has caught and secured the conviction of more crooks and criminals than any officer in Western Kentucky. There is hardly a town within a radius of 300 miles around here from which he has not brought back a law violator. As an officer he has always been active in getting up the witnesses needed by the commonwealth to secure the conviction of the law violators. The sheriff's office is one that requires much energy, and should be filled by a man who will go rain or shine, and one who is able to stand the work. Mr. Shupe's years of experience as a peace officer gives him a knowledge of the ways of crooks and criminals that few men in this county have. No man in the county has had the experience as a peace officer he has had. At this time, when the country is being swept by a veritable crime wave, Fulton county needs a sheriff of experience, common horse sense and sufficient energy and courage to go after the law violators and then get up the evidence for the prosecution. Walter Shupe is the man for this. He was active during the war in picking up slackers and catching deserters.

Mr. Shupe is a man of very limited means. For the last seven years he has worked for a small salary. He believes he can fill the office of sheriff with credit to himself and in a manner satisfactory to the people; he believes he can catch as many violators of the law as any man who will be a candidate for the office, and he thinks the catching of criminals and securing their conviction is of high importance to the citizens of the county. He seeks the office because he believes he can serve the people of the county as well as any who will be candidates, because of his experience, and he wants to educate his two children, and if possible put a little away for a rainy day.

He will appreciate the support you may give him and, if nominated and elected will give the duties of the office all his time, experience and energy.

LADY FOR COUNTY CLERK

Miss Hunter Browder Announces for County Court Clerk.

In this week's paper we announce the first woman candidate who has thrown her "old Easter hat" into the political arena for county office.

After much persuasion by numerous friends and due consideration, Miss Hunter (Jett) Browder announces her candidacy for county court clerk of Fulton county, subject to the Democratic primary election, August 6, 1921.

We will not attempt to introduce Miss Browder to the voters of Fulton county, because practically every man, woman and child is personally acquainted with her. The position she has filled for the past seven years as city editor of the Fulton Daily Leader and Weekly Commercial and Farm Journal, has brought her face to face with the people, and those who have not had the honor of meeting her, personally have read the brilliant articles from her pen in the papers from time to time.

In every respect she is capable of filling the office to which she aspires. Her years of newspaper experience required much technical work of the same character as that in the office of county court clerk—a training that few women and men have enjoyed before seeking office. Her attentiveness to her work and the thorough manner in which she does it, has not only won the admiration of her employer, but the public in general who have had occasion to have business dealings with her.

Miss Browder was born and reared in Fulton county, the daughter of the late Colonel R. A. Browder, who served the people of Fulton county as tax assessor and magistrate of District No. 1 for more than twelve years. The county never had a more faithful official.

Miss Browder, like her father, is a thoroughbred Democrat, proving her efficiency in political work during the recent presidential campaign, giving her time and means to the cause of democracy. However, she is not asking your vote and support for anything she may have done for the party's best interests, but simply because she thinks she deserves a promotion from the daily grind of newspaper work. She is anxious to serve you, and solicits your vote and influence. After a thorough investigation of her qualifications to fill the office of county court clerk she will appreciate your vote at the primary election, the 6th day of August, 1921.

MEMORIAL SERVICE FOR JUDGE FLATT

Memorial services for the late Judge R. B. Flatt, at one time circuit judge for this district, will be held at the court house in Clinton next Monday, the first day of the February term of court for Hickman County. Among the speakers on the program for that occasion is County Judge Elvis J. Stahr, who goes to represent the bar of Fulton County. A large representation from the whole judicial district will be present, and many of the local members of the legal profession are planning to attend.

\$23.06 FOR "INVISIBLE GUEST"

The collection taken at the Rex Theatre Monday night by the management for the "Invisible Guest" Fund totaled \$23.06. After a picture depicting the sufferings of the beneficiaries of this fund, Judge F. S. Moore called on the audience to contribute to the quota which has been assigned to the Rex Theatre. This quota was \$10 and the total of \$23.06 was highly gratifying to both the management of the theatre and the contributors to the fund.

Chester Barnes and B. M. White, of Louisville, went to St. Charles, Ark., on last Thursday on business for the Mengel company.

GOODBY KITCHEN, SAYS CONGRESSWOMAN

She's not going to spend her time at Washington cooking for Congressmen, says Miss Alice Robertson of Muskogee, Okla., the only woman elected to Congress in the Harding landslide. Miss Robertson is the owner and manager of a restaurant at home and it was reported she would follow her husband by conducting the House cafe, when she arrived at Washington to take office. However, as this new primary was taken in a recent visit to the national capital, she affirmed stoutly that she was going to Congress to help make laws—not cook.

FAMOUS STAGE LINE PASSES

Progress Has Eliminated Coaches That Did Service to Klondike.

Because of inability to secure enough business at a rate to justify it remaining in operation, the Royal Mail stages that ran for 20 years on the White Horse and Yukon route into the Klondike have been discontinued. It was a picturesque service in its prime, fresh horses waiting every 20 miles, and the coach kept at top speed every mile of the way through the snows and bitter cold.

"Big Sam" and "Hobo Bill" were famous drivers, and their arrival at one of the frontier towns was always an event. They used no bugle or bell to warn chance followers of the trail, but instead adopted the long, high-pitched, spine-chilling howl of the Malamute and everyone gave them right of way. The stages moved on time regardless of weather, and so exact was their running time that the citizens of the frozen North could almost set their watches by their daily passing. Every trip was a dangerous one, and scores of lives have been lost on the trail, all the way from hand-drawn sledges, and from snowshoes to wolves. As far as known, not a stage was ever wrecked or a sack of mail lost in the 20 years of service.

RECORD SUM IN U. S. COFFERS

\$12,883,819.326 Includes More Than \$10,000,000,000 in Securities

Completion of the first count since 1913 of cash and securities in the Treasury has revealed that the vaults of the national government hold a grand total of \$12,883,819.326 2/3, of which \$9,441,283.02 is in cash.

More than \$10,000,000,000 of the bonds and other securities held in trust by the Treasury, which totaled \$12,308,499,043.34 2/3, Acting Treasurer Allen announced, consist of evidences of the indebtedness of the allied nations.

The presence of two-thirds of a cent in the figures was explained by Treasury officials as due to a bond of the state of Tennessee for \$1,000.00 2/3 held by the Treasury for the secretary of the interior as part of a number of Indian trust bonds purchased for the benefit of Indians from the proceeds of the sale of government lands to them.

The last count of the Treasury's cash and securities in 1913 showed a grand total of \$1,426,422,054.48 2/3, of which the total cash was \$199,231,411.36. Sale of 100,000,000 standard silver dollars to the British government during the war to relieve the silver famine in India, officials said, explained the major part of the difference in cash. Count of the Treasury's cash and securities was necessitated by the resignation of Treasurer John Burke and a receipt for more than \$12,000,000,000 will be sent to him by Mr. Allen.

MISSIONARY SOCIETY

The Missionary Society of the Methodist church was most delightfully entertained last Monday afternoon by Mrs. Bess Curlin at her home on Troy avenue. The service was opened by singing "God Will Take Care of You," followed by a prayer by Dr. Johnston. Mrs. Minstree then read the scripture lesson, 1 John 4.

This being a fifth Monday there was no regular program, and the president, Miss Clara McConnell, took the opportunity to give a brief history of the work of the M. E. Church, South. Our first organization was the Foreign Missionary Society, organized in 1878, when we sent Miss Loeble Rankin to China. Today we have work in seven fields, with 122 missionaries, 106 Bible women and many schools and hospitals, valued at \$1,339,502 (1919 statistics). In 1880 the women's department of Church Extension Aid Society was organized to build parsonages in our western missions in order to retain a foot hold in the west. In 1890 this organization became known as "The Woman's Personnel and Home Mission Society," gathering together of local aids, sewing societies, etc., into one great body. In 1890 this organization became known as the Woman's Board of Home Mis-

Illinois Central Directs Attention to the Grade Crossing Problem

For the four-year period ended December 31, 1920, there were 4,350 persons killed and 12,750 persons injured in automobile grade crossing accidents in the United States.

For the same period there were 155 persons killed and 659 persons injured in automobile grade crossing accidents on the Illinois Central system. Analysis of these cases shows that crossings considered the safest are actually the most dangerous.

A serious automobile grade crossing accident, involving personal injury or loss of life, is usually followed by a demand upon the railway for the elimination or "protection" of the crossing involved.

Crossing gates do not entirely eliminate accidents. People become educated to rely upon the gatesman instead of upon their own faculties. If the gatesman errs the danger of accident is very great.

Electric warning bells do not entirely eliminate accidents. If they ring a great deal, automobilists disregard them. In addition, there is always the possibility that a bell may not be in order just at the moment of greatest danger.

Crossing flagmen are not infallible. The human element enters into most accidents, and crossing flagmen are like other human beings. Some of the most disastrous automobile grade crossing accidents have occurred at crossings where flagmen were on duty.

One of the results of crossing "protection" is to teach the public that crossings are safe. The opposite should be taught. All railway grade crossings are dangerous—the "protected" as well as the unprotected crossings. This should be impressed upon the minds of everybody, beginning with the children in the schools.

There are about 8,000 grade crossings on the Illinois Central System. It would cost approximately four hundred million dollars, or substantially more than the combined stock and bond issues of the Company, to eliminate them by separation of the grades. The following is quoted from the report made by the Grade Crossing Committee of the National Association of Railway and Utilities Commissioners at Washington in November, 1920: "To eliminate all grade crossings in the United States would probably cost as much as all the railroads in the United States have cost."

Outstanding features of this question are: 1—Inability of the railways to eliminate all grade crossings at any period within present vision. 2—The unreasonableness of some communities insisting upon the railways doing things for them that cannot be done for all. Every community has its dangerous crossings.

One state could not reasonably expect the railways to eliminate all of its grade crossings unless the same thing were done in neighboring states—in all states. The same principle applies to cities and towns.

The railway grade crossing problem is usually considered from two viewpoints—the railways and the public. There is the viewpoint of engineers and firemen, which should also be considered. Their duties are nerve-racking, and the habit of automobilists in racing to crossings, and darting upon the track immediately in front of locomotives, has a great tendency to confuse and distress them. They do not want to be involved in accidents causing personal injury or loss of life. They ought to have some assurance that an automobile will be brought to a stop before it is permitted to cross a railway track.

The benefits derived from the elimination of grade crossings by the construction of overhead bridges and underpasses—the only plan promising absolute safety—accrue largely to the public in safety and convenience. Therefore, when crossings are eliminated, the expense should be divided on some fair basis between the taxpayers receiving the benefits and the railway. If the people of a community paid in proportion to the benefits received when a crossing is eliminated, demands for elimination would be less frequent. More crossings could be eliminated.

The automobile, in proper hands, is an agency of safety at railway grade crossings. It can be driven up close to the tracks and stopped in perfect safety. That cannot always be done with a spirited horse. Therefore, the increasing use of the automobile and the decreasing use of the horse should be solving the grade crossing problem, instead of making it worse.

We recognize there are crossings that should be eliminated, but the crying need is for some plan of action that will prevent loss of life and destruction of property in automobile grade crossing accidents that can be put into effect immediately. One practical remedy, which would cost but little, would be to inaugurate a great crusade against carelessness of automobilists at railway grade crossings. Require them to Stop, Look and Listen. No automobilist who does that will ever meet with an accident at a railway crossing.

Constructive criticism and suggestions are invited.

C. H. MARKHAM,
President, Illinois Central Railroad Company.

sions. Hence we had two missionary societies doing a three fold work—foreign, home and local, but in 1911 the two missionary boards united and became known as the Missionary Council, which gives us our present (one) organization, embracing the threefold work of missions, foreign, home and local.

The president then gave a drill on the Constitution and By-Laws governing the societies.

A poem from Paul Lawrence Dunbar was read by Mrs. Thompson.

The minutes of last meeting were read and approved and Mrs. Alice Ambberg was asked to write an expression of sympathy from the Missionary Society to Mrs. Phelps, one of our most beloved members, who went to California last fall with her sister, Mrs. Boswell, who died January 26.

At the close of the program delicious refreshments were served, after which little Miss Mary V. Curlin gave us a beautiful solo, "If a Christian Meet a Christian Coming Through the Land," sung to the tune of "Comin' Thru the Rye." Thus ended a most enjoyable and profitable service, and we turned our faces homeward feeling glad to be members of an organization that stood for the great and broad work of the Methodist Missionary Society, which embraces every phase of Christian activity, beginning at home and reaching to the farthest parts of the earth, Acts 1:8.

The society meets at the church next Monday at 2:30 p. m. This is the regular monthly business service.

Fortify Your System—Good Blood Will Give You New Strength to Keep Well.

If you feel the least bit run down, not necessarily sick, but tired and blue and sort of down and out, it shows plainly that your power of resistance is low.

It is dangerous to go around that way. You don't want to do it.

Make no mistake about it, when you feel yourself slipping into lazy habits, getting indifferent to the things you naturally like—no energy, no vigor, always tired—it is time to look out. It may not mean that you are sick or that you will be. But there are diseases that would have an easy time of it with your system when your blood has no fighting qualities.

You want to be well and keep well and feel strong. If you build up the quality of your blood by taking Pepto-Mangan you will be in trim to fight off winter ills. It has just the right ingredients to build your blood up with rich, red corpuscles.

Pepto-Mangan gives your blood the qualities it needs to pick you up and start you off on a healthy basis. You will notice the difference soon after you start taking it. You will have better color, better feeling and more energy.

You can take it in liquid or tablet form as you prefer. Both have the same ingredients. But be sure you get the genuine Gude's Pepto-Mangan. Ask for it by that name—"Gude's Pepto-Mangan," and be sure the red name is on the package.—[Adv.]

CALUMET BAKING POWDER SAVES THREE WAYS

—A moderate priced Baking Powder of greatest merit. Honestly made. Honestly sold. Economical in every way. Every particle is full of actual leavening value. A full money's worth.

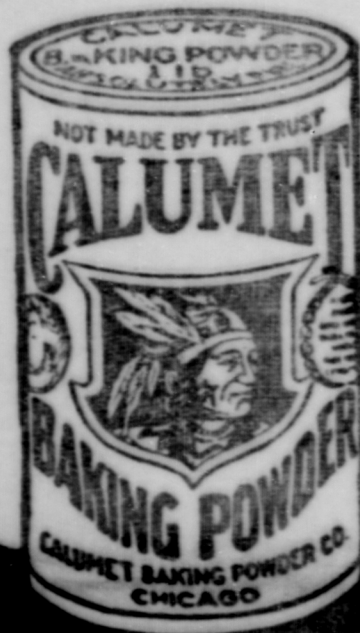

—You save time when you use it. Calumet is all baking powder. It begins to raise bakings the instant they are put into the oven. You don't have to keep "peeping" to see if bakings are all right. You know they are. Calumet is *sure*—never fails. That's economy. And true economy—in cost—in use—in time.

One trial will prove it and *show* you in results why millions of shrewd, thrifty housewives prefer Calumet to all other brands.

The unfailing strength of Calumet guarantees perfect results. Not only saves flour—sugar—eggs, etc.—but saves Baking Powder. You use only a teaspoonful—you use two teaspoonfuls or more of many other brands.

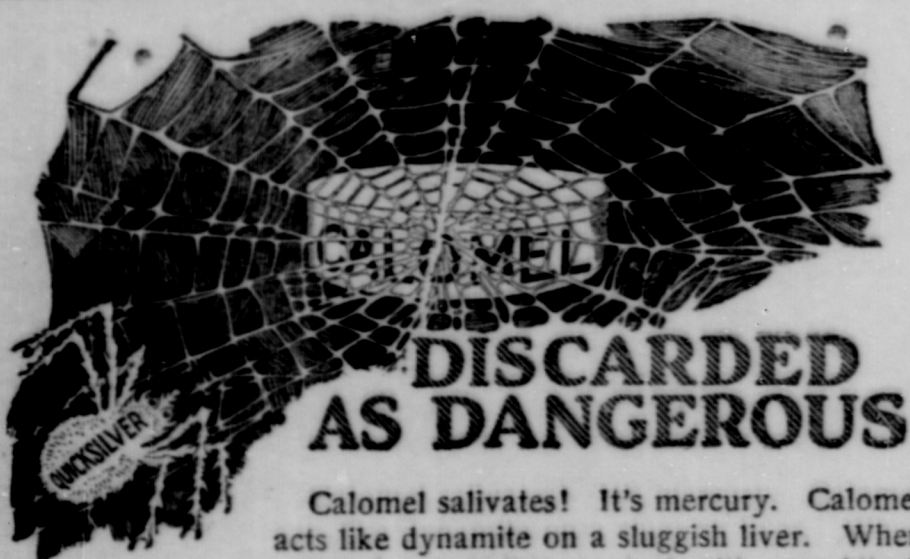

Calumet contains only such ingredients as have been approved officially by the U. S. Food Authorities.

GOVERNOR ASKS CITIZENS HELP

Says "Shiner and Bootlegger Operations Challenge to State's Power."

Operations of the moonshiner and bootlegger, described as a challenge to the state's power to maintain peace and order, form the subject of a proclamation made public by Governor Morrow, along with a personal letter, which he is sending to every sheriff, county attorney and chief of police in the state.

Through his proclamation the governor calls upon the co-operative efforts of all citizens to make their will "superior to the purposes of an outlawed traffic." The proclamation follows: "To the People of Kentucky, Greetings: "The strength of any state is determined by the courage and character of its citizenship. Today the power of the state to enforce law and maintain order is brazenly, notoriously and impudently challenged by the scandalous and open violation of the prohibition law. The moonshiner and bootlegger and those allied with them are determined to make their will superior to the law of the people of the state.

"The open violation of the prohibition law brings to Kentucky and its people not only the known evil of intemperance, but there has come with it and as a part of it the intimidation of men and women, threats of violence against all who oppose it, perjury and subornation of perjury, and past experience of the country shows that those engaged in this business do not balk even at debauchery of public officials charged with the enforcement of the law.

"This law breaking power strikes at the source of all public authority. Confronted with this situation I call to the conscience of the commonwealth. I appeal to every law enforcing officer to stand by the law of his state and to exert the utmost energy and determination in its execution and enforcement. "I call upon the people of Kentucky—upon its men and women, upon the leaders of thought and conduct—to unite, to co-operate and to throw their irresistible power upon the side of law and order.

"The will of the people of Kentucky must and shall be made superior to the purposes of an outlawed traffic. The power of the bootlegger and the moonshiner must be made to bend before the authority of the sovereign law of the commonwealth.

"This, the 24th day of January, 1921. EDWIN P. MORROW, Governor of the Commonwealth of Kentucky.

In his letter to the peace aid prosecuting officers the governor says:

"As one of the chief law enforcing agents of your county, and as a fellow public servant chargeable also with the enforcement of the laws of the commonwealth, I write you concerning the present shameful violations of the prohibition law in Kentucky. "I do not exaggerate when I say that the bootlegger and moonshiner, and those allied with them, today challenge law and order in Kentucky. The impudent, brazen and determined violation of this law is rapidly bringing into contempt all law; is weakening public authority and lessening the confidence of the people of Kentucky in their laws, their courts and their public officials.

"I believe in the high integrity; in the capacity and courage of the state's law enforcing agents, and I feel that you will be glad to lend every power of your energy and your office to the suppression of this outbreak of lawlessness.

"In the enforcement of this law I believe you will have the support of the right thinking men and women of Kentucky. I believe that a quickened and aroused public sentiment will rally to your assistance.

"We can and we must accept the challenge so flauntingly offered, and having accepted it we must re-establish the supremacy of the laws of the land.

"Let me know how I can be of service to you. Most sincerely yours, EDWIN P. MORROW, Governor of Kentucky.

To Stop a Cough Quick

take HAYES' HEALING HONEY, a cough medicine which stops the cough by healing the inflamed and irritated tissues.

A box of GROVE'S O-PEN-TRATE SALVE for Chest Colds, Head Colds and Croup is enclosed with every bottle of HAYES' HEALING HONEY. The salve should be rubbed on the chest and throat of children suffering from a Cold or Croup.

The healing effect of Hayes' Healing Honey inside the throat combined with the healing effect of Grove's O-Pen-Trate Salve through the pores of the skin soon stops a cough.

Both remedies are packed in one carton and the cost of the combined treatment is 35c.

Just ask your druggist for HAYES' HEALING HONEY.

PROHIBITION COST BILLION THE FIRST YEAR

Treasury officials estimate that the first year of prohibition has cost the government, national and state combined, more than \$1,000,000,000. This includes loss in saloon licenses and special taxes.

Directly the national government has been set back \$380,000,000 in loss of revenue and the cost of "enforcing" the Volstead law, according to official figures. Enforcement costs \$5,000,000, but with the present organization it will rise to \$7,200,000 the ensuing year.

Penalties for violation of the law have approximated \$2,200,000.

TEN YEARS AGO

The new \$20,000 levee protecting West Hickman and the factory district was completed Sunday morning.

The Juvenile Missionary Society will have a "Mother Goose" entertainment at Mrs. S. L. Dodds' Saturday evening.

Charles Moss and Thomas Reynolds purchased the plant of the Hickman Lumber Co., including their yards, a planing mill and a saw mill.

Walter Wright died at his home in the bottoms Sunday night.

Best Kentucky lump coal was being advertised at \$4.50 per ton.

FIVE YEARS AGO

Many people in Hickman were made homeless by high water; the city levee was out for the third time in five years.

The city of Martin contributed 400 loaves of bread to the flood sufferers and the N. C. & St. L. donated a car of coal.

The residence of Tom Bondurant in East Hickman was destroyed by fire.

An unsuccessful attempt was made by a midnight prowler to rob Frost's cafe.

Water is running down Clinton street

on both sides, but none of the stores on the south side are yet flooded.

Arthur Hale and Miss Nellie Feavler were married at New Madrid, Mo.

"Battle Creek" coal was being advertised for \$4.75 per ton.

Give Sick, Bilious Child "California Fig Syrup"

"California Syrup of Figs" is the best "laxative physic" to give to a sick, feverish child who is bilious or constipated. Directions for babies and children on bottle. They love its fruity taste. Beware! Say "California" or you may not get the genuine recommended by physicians for over thirty years. Don't risk injuring your child's tender stomach, liver and bowels by accepting an imitation fig syrup. Insist upon "California."

Are YOU One With Us?

One million, five hundred thousand farmers are united in a common cause through the American Farm Bureau Federation. They represent fifteen billion dollars' worth of our national wealth. That is more than the value of all the gold the world has produced in the last sixty years.

These are stupendous figures. Yet the impressive fact is not the size of the figures themselves, but the power they signify. The thoughts, the voices, the strength of one-fourth of the country's farmers joined in a single cause—farm progress! It is a tremendous force for good.

This force that is created by 1,500,000 determined farmers is making itself felt. It is speaking with too powerful a voice to be ignored, too well informed to be dismissed. Congress, capital, labor are having to listen to the farmer at last because the farmer has found a means of making himself heard. The Farm Bureau Federation has given him that means.

Fall in line! Join the Farm Bureau and help swell the mighty force that has enlisted under the Farm Bureau banner. Its objective is a secure and prosperous farming industry. Help it to guarantee that for you and the six million other farmers of this country.

Before the national body was organized THE COUNTRY GENTLE-

MAN began to support the movement. Its aid has been continued because the editor believes in the soundness, the integrity and the wisdom of Farm Bureau policies and leadership. THE COUNTRY GENTLEMAN always is ready to support and encourage every move that is helpful to farming. That is the purpose of this big national weekly—to make farm life more livable and profitable. It does this through the medium of informative articles, inspiring editorials and practical suggestions.

You need THE COUNTRY GENTLEMAN in your business, in your home life. And it costs only \$1.00 a year—less than two cents for each of the fifty-two big issues. You can mail your subscription to us, inclosing a dollar bill, check or money order.

SEASONABLE GOOD THINGS.

When one has broiled or baked
ham, the leftover may be made into a
most appetizing
dish such as:

Ham Timbales.
—Take two table-
spoonfuls of but-
ter, one-fourth of
a cupful of stale
bread crumbs,
two-thirds of a
cupful of milk, one cupful of cooked
chopped ham, one-half tablespoonful
of chopped parsley, two eggs, salt and
pepper. Melt the butter, add the
breadcrumbs and the milk and cook
five minutes, stirring constantly. Add
the ham, parsley and eggs slightly
beaten. Season with salt and pepper
and turn into buttered individual
molds, filling them two-thirds full.
Set in a pan of water, cover with but-
tered paper and bake twenty min-
utes. Serve with:

Bechamel Sauce.—Take one
and one-half cupfuls of boiled ham liquor
or broth prepared from the trimmings
and bone, with water, one slice of
onion, one slice of carrot, a bit of
bayleaf, a sprig of parsley, six pepper
corns, one-fourth of a cupful of but-
ter, one-fourth of a cupful of flour,
one cupful of scalded milk, one-half
teaspoonful of salt and a dash of
cayenne. Cook the stock with the
seasonings twenty minutes, then strain.
Melt the fat, add the flour and when
well blended add the hot, seasoned
stock and scalded milk. Cook until
smooth and thick.

Whey Jelly.—Take one pint of
strained whey, one-half cupful of
sugar, one and one-half tablespoonfuls
of gelatine dissolved in one-fourth
cupful of cold water, the juice and grate-
d rind of a lemon and an orange.
Heat the sugar and the whey. Add
the softened gelatine, stir until dis-
solved. Add the fruit juices and pour
into a mold.

Baked Apples With Figs.—Wash the
apples, remove the cores, leaving the
blossom end unbroken. In the cavity
of each apple place one teaspoonful of
chopped figs and fill with sugar or
syrup. Place in a baking dish and
bake slowly until the apples are ten-
der.

CURIOSITIES OF FINNY TRIBE

Fishes Gifted With Power of Mimicry
to Protect Them From Their
Natural Enemies.

Two interesting examples of mimicry
among fish are given by a correspond-
ent. The first, found in Ceylon, is
shaped and colored like a withered
leaf. A certain naturalist, Dr. A.
Witley, describes his experience of this
curious fish. He was walking
along the reef with a fisherman, when
the latter attempted to catch a fish
for him. The naturalist could not see
at first what it was. The fish dodged
about, and the fisherman failed to get
it. Seizing the net himself, he saw
what seemed to be a yellow oak-leaf
gently and inertly sinking to the bot-
tom. This being a common occurrence,
he was about to turn away, when the
supposed leaf righted itself, and darted
off. It was finally secured, and
was found to be one of those fishes
commonly known as sea-bats. The sec-
ond example is furnished by the very
curious fishes called sea-horses. Many
long, irregular filaments proceed from
their bodies, and give them a striking
resemblance to bunches of seaweed.
When the fish anchors itself—as it
frequently does—by the tail to a plant
of seaweed it seems like a part of it,
and is not easily detected.

FARM STOCK

POSSIBILITIES WITH SHEEP

Farmer Who Does Not Utilize All of
Available Pasture Is Throw-
ing Money Away.

The keeping of a reasonable num-
ber of sheep on the average farm does
not necessitate the keeping of fewer
dairy cows or other grazing stock.
This fact was determined by the
United States Department of Agri-
culture in its recent investigation of
sheep-raising possibilities in New
England. It was found that farms
where sheep are kept successfully

Frequently Sheep Can Be Pastured on
Land Which Would Not Otherwise
Be Used for Grazing, So That They
Do Not Displace Any Other Stock
on Farm.

have practically the same number and
kinds of other live stock as other
farms of like area where no sheep
are kept, and that the acreage in crops
on the two classes of farms is sub-
stantially the same. The inference is
that the farmer who keeps no sheep
is simply throwing away enough pas-
ture that cows and other live stock
do not utilize to net him a neat profit.

The AMERICAN LEGION

(Copy for This Department Supplied by The American Legion News Service.)

HONOR TO MINNESOTA WOMAN

Dr. Helen Hughes Hielscher is Chosen State President of Women's Auxiliary of Legion.

Approximately four hundred delegates from all parts of Minnesota attended the first state convention of the women's auxiliary of the American Legion in Minneapolis. The meeting marked the beginning of the national organization of the auxiliary, which is expected ultimately to bind together about ten million women, the mothers, wives, sisters and daughters of former service men of the World war. The delegates at the Minnesota conference represented about 6,000 members of the 113 units of the auxiliary in that state.

The convention adopted a state constitution modeled after the tentative constitution previously used by auxiliary units, and voted to "dedicate themselves to the cardinal principles of the Legion."

Officers elected were: Dr. Helen Hielscher, president; Mrs. E. A. Lewis, first vice president; Mrs. Myrtle Getz, second vice president; Mrs. O. B. De Laurier, historian; Mrs. George H. Barber, representative on the national executive committee.

Miss Pauline Curlick, representing the organization division of national headquarters, addressed the convention, outlining the plans and aims of the organization.

Kansas members of the women's auxiliary will hold their state convention January 10 and 11, and other states are expected to take similar action in the near future.

WARSAW, POLAND, HAS POST

All Members Are Ex-Service Men Now on Duty With the American Red Cross.

A post of the American Legion with 40 members has been formed in Warsaw, Poland. All the members are ex-service men who are now on duty with the American Red Cross. The post was organized by Charles Phillips of New Richmond, Wis., head of the publicity department of the Red Cross in Warsaw, and has the following officers: H. H. Hall of McDonald, Pa., commander; Lee D. Rowe of McAllen, Tex., adjutant; Frank R. McKenney of Richmond, Me., treasurer.

Commander Hall, who served in France with the Three Hundred and Seventh supply train, is chief of stores for the Red Cross in Poland. Rowe, who was in the medical detachment of medical supply train No. 412 in France, went to Poland a year ago with the United States army typhus expedition.

Posts of the Legion also are now being formed in Jerusalem, Palestine and in Peking, China.

MOST POPULAR AT CARNIVAL

Marie Balzarini Carries Off Honors at Contest Conducted by Windsor Terrace Post, Brooklyn.

Miss Marie Balzarini of Brooklyn, N. Y., was voted the most popular girl in a contest held during a week's carnival of Windsor Terrace post of the American Legion. The popularity contest, which is becoming a favorite pastime among Eastern posts of the American Legion, has been the means of boosting the financial standing of several posts as well as affording amusement for the members and their friends.

NO TIME FOR "BLUE LAWS"

Indications Are That Legion National Officers Will Not Take "Positive Stand."

"Blue law" agitation is apparently obnoxious to a large number of members of the American Legion, according to expressions of opinion received in letters at national headquarters. National officers have been called upon to take a "positive stand," particularly against those who would do away with the cigarette.

"As individual citizens and voters our membership can support or oppose what it sees fit," said one national officer of the Legion, "so long as they conform to our national constitution. I think the veteran, however, is against intolerance. The national organization of the Legion has no time for this controversy, however. We have our hands full in our effort to make life what it should be for the disabled."

IMPROPER FEEDING OF PIGS

One Big Reason Why Fall Porkers Prove Unprofitable in the Hands of Many Farmers.

One reason why fall pigs prove unprofitable in the hands of many farmers is improper feeding. Many persons have the mistaken idea that a pig must be fed a light ration until it is four or five months old to give it a chance to grow, which is one of the biggest mistakes a hog raiser can make. As soon as fall pigs will eat grain and while they are still sucking their dams, give them all the grain they will eat. In fact, the best thing is to have them run to a trough or a self-feeder, where they can find corn, oats, tankage or some other feed whenever they want it. After they are weaned keep them right on a ration of that sort until they are ready for the market. If you have a self-feeder, put shelled corn or ear corn in one part of it and tankage in another, or provide separate self-feeders, one for the corn and one for the tankage, and then let the pigs be the judge of how much to eat of each constituent.

ASPIRIN

Name "Bayer" on Genuine

Warning! Unless you see the name "Bayer" on package or on tablets you are not getting genuine Aspirin prescribed by physicians for twenty-one years and proved safe by millions. Take Aspirin only as told in the Bayer package for Colds, Headaches, Neuralgia, Rheumatism, Earache, Toothache, Lumbago and for Pain. Handy tin boxes of twelve Bayer Tablets of Aspirin cost few cents. Druggists also sell larger packages. Aspirin is the trade mark of Bayer Manufacture of Monoacetic-acidester of Salicylic acid.

CHECK DISEASE AMONG HOGS

Animals Become Infected with Tuberculosis Principally From Following Cattle.

Eradicating tuberculosis from cattle will practically solve the problem of controlling the disease among swine. That is the opinion of veterinary experts experienced in the handling and post-mortem examination of swine received at the principal market centers. By means of a simple and practical marker, hogs may be tattooed with distinguishing letters and figures, and when disease is found by post-mortem examination the identity of such animals is known. With a simple system of records it is thus possible to trace a shipment to the farm from which it came and stamp out infectious diseases at their source. Evidence shows that swine become infected with tuberculosis principally from cattle, either by following them in feed lots or pastures, by receiving infected dairy by-products, or by eating tuberculous carcasses.

IF WOMEN ONLY KNEW

What a Heap of Happiness It Would Bring to Hickman Homes.

Hard to do housework with an aching back. Brings you hours of misery at leisure or at work.

If women only knew the cause—that backache pains often come from weak kidneys.

'Twould save much needless woe. Doan's Kidney Pills are for weak kidneys. Ask your neighbor!

Read what a Hickman citizen says: Mrs. Walter McLaughlin, W. Hickman St., says: "Several years ago I had an attack of kidney complaint. I took Doan's Kidney Pills after being advised to do so by a neighbor who had taken them. I was all run down and felt tired and languid all the time. My back ached and I had pains in my side. I wasn't strong enough to do my housework. I took Doan's Kidney Pills and it wasn't long until I felt as well and strong as ever. I certainly think Doan's are a fine kidney medicine and I am glad to recommend them."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. McLaughlin had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Paper Collar Protects Plants. A collar of paper has been made for protecting the stems of delicate plants after they have been placed in the ground. These are often attacked by the cut worm, which cuts them off short and kills the plant, but the worm cannot get through the paper collar.

A TONIC

Grove's Tasteless chill Tonic restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

Grove's Tasteless chill Tonic is simply Iron and Quinine suspended in syrup. So pleasant even children like it. The blood needs QUININE to Purify it and IRON to Enrich it. Destroys Malarial germs and Grip germs by its Strengthening, Invigorating Effect. 60c.

TO BANQUET FRIDAY NIGHT.

The American Legion is planning a brilliant entertainment for Friday night. They will give a banquet at the La-Cloche Hotel in honor of the young ladies who assisted them in the play which was given for the benefit of the local post last week. Besides these young ladies, all members of the local post of the American Legion together with their wives or young lady friends are invited.

Mrs. T. T. Swayne delightfully entertained a few of her friends Tuesday evening at 7:30 at the picture show. After the show they were invited to the Hickman Drug Co. where they were served sandwiches, coffee, minis and salted nuts. Those present were: Mesdames Dee Reid, E. B. Prather, Sr., S. D. Stenbridge, F. T. Randle, H. E. Prather, J. M. Calvin, H. C. Helm, Will Barry, Austin Voorhees, Mitchell Wright, F. E. Case, Nan Kingman, Lou Bartlett and Miss Mena Dieschendorf. Jim D. Tackett has returned from Indianapolis. He is now a representative of the Butterkist Popcorn Machine Co. representing them in about forty counties in this section. He will make his headquarters here.

Mesdames B. R. Turpin and W. R. Amberg delightfully entertained Monday evening from 7:30 to 10:30. Bridge was the diversion of the evening and at the close a salad course and hot chocolate were served. Those present were: Mesdames C. T. Bondurant, Fred Bondurant, Milton Spradlin, T. M. French, W. C. Reed, H. N. Cowgill, Sr., R. Johnson, Karl Talley, A. M. Alexander, Herman Bradley, A. R. Stone, E. Dodson, Joe Engel, Mack Reid and F. T. Randle, and Misses Mary Hollan and Jane Binford.

Monday at the Rex—Viola Dana in "Cinderella's Twin." Miss Dana's pictures have all proven a big success and this one will be very pleasing.

PROBABLE VICTIM OF "WHITE MULE"

T. T. Sutton Died This Morning From Effect of Poison.

T. T. Sutton, living in one of the Steve Stahl houses east of Swift's Grocery, died this morning at six o'clock. Physicians who attended him pronounced the cause of his death as probable poisoning from drinking "white mule" whiskey. He fell last night at seven o'clock in one of his rooms which is used as a kitchen. Joe Miller, who lives next to the house which Sutton occupied came into the room where he had fallen and receiving no reply when he spoke to him, discovered his condition and put him on his bed in the next room. He never regained consciousness before he died this morning. He was in good health apparently, having worked yesterday at his place of employment, The Mangel Co.

No one was present at the time of his death, his nephew, John Lamastus, who stayed with him during the night, having left at about five o'clock. The deceased man's sister, Mrs. Bettie Lamastus, came soon after his death and took charge of the house. Mayor Reed is making arrangements for the funeral, having telegraphed his children, all of whom live away from town.

He is survived by three children, two sons, Nat Sutton, of Hornbeak, Tenn., and Hub Sutton, of Muskego, Oide, and one daughter, Mrs. Lydia Simmons, of near Tiptonville; two sisters, Mrs. Bettie Lamastus, of this city, and Mrs. S. J. Garner, of Sharon, Tenn.

About \$40 was taken from his person by relatives, which together with some life insurance which he had, will be sufficient to bury him.

Mesdames B. R. Turpin and W. R. Amberg entertained Saturday evening from 7:30 to 10:30 at five tables of bridge. At the close of the games a delicious salad course was served. Those present were: Mesdames E. R. Ellison, George Cook, Nim Walker, Swayne Walker, Chester Barnes, H. N. Cowgill, Sr., T. M. French, T. T. Swayne, R. L. Bradley, Jessie Dillon, J. T. Stephens, C. M. Reynolds, F. E. Case, W. H. Baltzer, Herman Bradley, Karl Talley, Guy Hale, C. T. Bondurant, and Miss Nelle Rogers. Mrs. W. W. Page, of Nashville, was an out-of-town guest.

Friday at the Rex—14th Episode of "Bride 13" and Screaming Educational Comedy. Also Fox News.

Edgar Taylor of Cairo, spent Saturday and Sunday with his wife, who is visiting her mother, Mrs. Chas. Jackson.

Mrs. T. Reeves of Union City, spent Friday and Saturday with her brother, B. G. Hale, Sr. and wife.

FERRY STILL TIED UP.

The ferry boat which operates between here and Dorena, Mo., is still tied up and will be until the Mississippi County circuit court is held in Charleston, Mo., which will be in the next 10 days. This case will be brought up at that court, and it is hoped, fully decided. The ferry business, owned by Barnes and Brody, is tied up on account of disagreement over charges for landing privilege on the Missouri shore, which privilege is held by Bryant and Polhamus, planters of this city and across the river from here. This ferry boat has been tied up for the past three weeks and causes great inconvenience.

WILSON-BUTT CO. NOW.

The Wilson-Butt Co. of Paducah has acquired the interest of B. G. Hale, Sr., in the Wilson-Hale Co. of this city, the deal being consummated Tuesday. Through this deal the local wholesale house becomes a branch house of the Paducah concern. This branch will continue under the management of K. A. Mitchell and will be represented on the road by W. L. Skinner.

Mrs. S. D. Stenbridge entertained a number of ladies on Monday evening at a picture show party to see Wanda Hawley in "Her First Elopement." After the show refreshments of hot chocolate and angel food cake were served at Cowgill's Drug Store. Valentines were given as favors. The guests were Mesdames Percy Jones, M. M. Tulloss, J. T. Stephens, C. G. Schlenker, Henry Helm, J. C. Calvin, W. C. Spear, J. C. Sexton, T. T. Swayne, E. B. Prather, H. E. Prather, J. O. West, Lou Bartlett, H. N. Cowgill, Sr., W. A. Doble, F. S. Moore and Mrs. Adkisson. Mrs. W. W. Page, of Nashville, was an out-of-town guest.

Mrs. R. H. Smith and daughters, Mrs. Lillian Neighbors, and Mrs. John Cox, of Union City, were called to Marjanna, Ark., on last Saturday on account of the serious illness of Mrs. Smith's daughter, Mrs. Willie Winters. Mrs. Winters was stricken with appendicitis, and in such a serious condition she could not be taken to a Memphis hospital, the operation being performed at home. Her recovery was considered as possible but is reported as better now although in a very serious condition.

Mrs. F. T. Randle delightfully entertained Thursday evening from 7:30 to 10:30 at three tables of Rook. Candy was served during the games and at the close a delicious salad course was enjoyed. Those present were: Ben Briggs and wife, Fred Bondurant and wife, E. B. Prather, Jr., and wife, Mesdames H. L. Amberg, A. M. Alexander, Miss Margaret Fugate, Miss Bess Thompson and Dave Morgan.

James Vance, 12 years old, and Cliff Johnson, 14 years old, run away from home again on last Tuesday morning, leaving on the early morning local, it is thought. They were apprehended however, Monday afternoon in Ohio, and H. Johnson, father of Cliff Johnson, left Tuesday morning to bring them back. This is the third time the Vance boy has run away in the last few weeks and the first time for the Johnson boy.

Son Milner, colored employee of the Mangel Company fell into one of the vats of hot water at the mill last Thursday night, resulting in serious injury to him. The whole lower part of his body was scalded but the temperature of the water was not high enough to render the injuries fatal. Dr. H. E. Prather attended the injured man and he is recovering rapidly.

Sheriff Swayne Walker, accompanied by Joe Wall, went to Frankfort last Sunday where they carried Leonard Yates, 16 years old, white, and Wesley Carman, negro, 15 years old, to the reform school. The Yates boy was sent on a charge of housebreaking and Carman for grand larceny, both to remain there until they are 21 years old.

Sheriff Swayne Walker and Joe Wall, left Wednesday night for Eddyville where they took Odell Haynes, white, and Fred Hall, colored, to the penitentiary. Haynes was given a two year sentence at the January term of court for housebreaking and Hall two years for forgery.

Mr. and Mrs. J. T. Yarber left Wednesday for their former home at Ridgeley, Tenn. They have been residing here the past two years or so, formerly operating the Cottage Hotel. Mr. Yarber has been connected with the Barkett Wholesale Grocery Co.

Born on last Saturday to the wife of W. T. Grissom in West Hickman, a fine girl. The little miss has been named Lole Virginia.

CHRISTIAN CHURCH.

Bible School at 9:45. Bible reading, 1 Cor. 7, 8, 9, 10th Chapters. Make a special effort to be present. If you were not present last Sunday and still wish to make an offering to the Christian Home the gift will be gladly accepted.

Sunday is the regular anniversary of the dedication of our church building, and instead of the regular preaching service we will have a special program which will be very interesting and helpful to all. This will be a roll-call day and each member must make every effort possible to answer "present" when his name is called. Don't fail to invite your friends to come with you to this special annual service. Communion at 10:45 followed by the special program.

Go into the highways and byways and constrain them to come in that the house may be filled.

Night service at 7 o'clock.
Rev. E. L. Miley, Pastor.

Miss Josephine Hamlett left Monday morning for St. Louis. She was accompanied by the little Misses Johnny and Polly Bushart, who have been spending the winter with their grandparents, Mr. and Mrs. W. J. Cook.

B. M. White has returned from a business trip on White and St. Francis Rivers, Ark.

Mrs. John Hollan is visiting her daughter, Mrs. Richard Harris, of Paducah.

Saturday at the Rex—Pathe News and Harold Lloyd Comedy, also Fatty Arbuckle in "The Hayseed."

THRIFT

Thrift is not stinginess. It is merely common sense in the management of money. Get as much as you can of the good of life out of your money, but don't spend it all—keep an eye on the future; that's the thrifty person's motto.

BE GOOD TO YOURSELF—A spendthrift is good to himself—but only to his present self. A thrifty man is good to his future self as well as his present self.

SAVE BY A SYSTEM—Some save by the stock system. Others hide their money in mattresses. Both plans are very risky. The savings bank is all right, but the trouble is, you put your money in when you feel like it, and you withdraw part or all of it whenever you get the notion.

A CONTRACT WITH YOURSELF—When you join with us you make a contract with yourself to pay yourself—your future self—a certain sum of money once each month.

AVAILABLE FOR EMERGENCIES—You are not deprived of the use of the money thus laid away, if something unforeseen should happen. You can sell your stock or borrow on it, or, if you prefer, surrender it and withdraw the money you have paid in, together with one-half of the earned profits.

YOU NEVER MISS IT—As time goes on you form the habit of paying your monthly installments regularly, cheerfully, and without thinking any more of it than you do of your light bill, your 'phone bill, or your milk bill.

THE THING TO DO.

Elsewhere in this issue is a copy of the resolutions of the Fiscal Court to cut all expenditures except for emergencies, which was made for the purpose of enabling the court to catch up and pay off as much of the indebtedness as possible. This seems to be at least the proper thing to do considering that the roads were given a thorough working last year and everything was put in good shape. By adopting this plan the court will save for the county this year \$30,000. The action of the court means that no road supervisor or road or bridge crew will be employed, that no contracts for oil, repairs, lumber or other material of any description will be let and that no demonstration agent will be employed during the year. I short, it means that no warrants will be issued except for dragging, for repair work and for current expenses of the county government until further orders of the court.

This county has been in debt for years and we feel that every citizen would rather see the court operate on a much smaller scale in order to pay up, especially since the roads are in good shape and can be kept so with the use of the road drag.

We are with you 'squires.

S. M. Naffeh and W. H. Baltzer left Sunday for the St. Louis markets.

THE LEGISLATURE.

This is the year for Hickman County to name the Representative from this Legislative district according to a custom which has been followed since the beginning. The cordial feeling between the two counties and their common interest will be served if no candidate from Fulton County offers for representative at this time.

It is said that W. T. Walker of Clinton, Ky., will be a candidate from Hickman County. He has a wide acquaintance in Fulton County and over the state and can be of great benefit in legislative matters to the advantage of this locality. Judge Davis has known Mr. Walker for many years and on hearing his name mentioned commended him very highly as a competent and suitable man for the place.

MRS. ELIZABETH M. BOSWELL.

Friends in this city are in receipt of an announcement of the death of Mrs. Elizabeth M. Boswell, wife of J. E. Boswell, which occurred at San Diego, Calif., Tuesday morning, January 25, at 1:30. Mrs. Boswell was a sister of Mrs. J. E. Phelps, with whom she was residing at the time of her death. The deceased had been in failing health for some time and had removed to California in hope of being benefited by that climate, but grew steadily worse until death came. She was well known here, having visited in Hickman on several occasions and has a host of friends here who will be shocked to hear of her demise. Funeral services were held in San Diego, Wednesday, January 26, at 2 p. m.

INTERESTING RELICS.

There are on display at the Farmers & Merchants Bank an interesting collection of relics in the way of old notes, and warrants. These are the property of Dr. J. M. Hubbard and were found in the vault of the "Old Hubbard Home." This building was built for banking purposes with the banking rooms and cashiers residence under the same roof. This was Hickman's first bank and was known as the "Branch Bank of the Southern Bank," the head bank being at Russellville, Ky. This branch was established about 1855 and closed about 1861 and named as its cashier, W. C. Owens, assistant cashier, R. C. Prather, and bookkeeper, John Steele. It might be of interest to know that the head bank at Russellville was the famous old banking institution which was robbed by Jesse James of about \$20,000.

The collection on display was artistically mounted by the Rev. E. L. Miley, and includes many old, but still well preserved bills, dating as far back as 1847. An interesting history of the financially and banking history of the United States, giving the evolutions through which the banking system of this country passed in its development to its present sound condition.

A very interesting and profitable time may be had in inspecting this collection.

WILL J. WEBB, JR.

Our young friend W. J. Webb, Jr., of Mayfield is a candidate for clerk of the Circuit Court of Graves County. He is well known to the young people of Hickman who join in wishing him success in his campaign. He has had several years experience in legal work in the office of his father, W. J. Webb, Atty., and is well qualified by education and experience for this important office.

He enlisted as a volunteer on April 18th, 1917, before the operation of the draft law and had two years of service for his country. He was highly commended for the efficient discharge of his duties. He was in France in action at the time the armistice was signed, and has received an honorable discharge from the army. Competent men who have been in the service should have preference in public office as some compensation for their hardships and sacrifice.

C. B. PARRISH NOW CASHIER OF TALLAHATCHIE HOME BANK

C. B. Parrish, who has made many friends in Charleston since moving here last September, entered the service last Monday of the Tallahatchie Home Bank as cashier, to relieve Ned Rice of the many business details requiring constant attention.

Mr. Parrish has passed through a thorough training in the banking business in Memphis and Yazoo City. Since coming here he has been with the Bank of Charleston until this week—Charleston (Miss.) Enterprise.

Mr. Parrish is well known here, having lived in this city for a number of years. He was connected with the Farmers and Merchants Bank, leaving that institution to accept a position with a bank in Memphis. He is a son-in-law of Mr. and Mrs. E. C. Rice of this city.

Tuesday at the Rex—Buck Jones in "Two Moons." Tom Mix has nothing on this six-shooter.

On Friday afternoon of last week Mrs. J. Mack Reid and Miss Carrie Male Reid, at the home of the latter, entertained at five tables of bridge. A salad course and coffee were served. The guests were Mesdames H. N. Cowgill Sr., C. M. Reynolds, W. F. Remmenberg, E. D. Johnson, E. J. Stahl, Delbert Choate, T. M. French, F. E. Case, Austin Voorhees, C. G. Schlenker, J. T. Stephens, R. L. Bradley, Ferd Maddox, DeWitt Reid, R. B. Coffey, H. L. Slade, Nim Walker, and Misses Mildred Ramage and Mozelle Brasfield. Mrs. W. W. Page of Nashville was an out of town guest.

FOR SALE—White Leghorns, \$1.25 a piece while they last.—Paul Choate.

Lon Palmer, of Fulton, was a visitor in the city Saturday. While in town he called at the Courier office, authorizing us to announce him for the office of jailer, which announcement appears in another column. Mr. Palmer is well known here, having lived in Hickman for several years.

INCORPORATED

WELL SHOWS GAS.

Considerable excitement prevails here as a result of the Roney, Mitchell & Bruer oil well (test), in the lower end of this county, showing signs of considerable gas last Monday morning.

Although work had been suspended Saturday afternoon, on account of minor breakage, the well took on an air of activity Monday morning at about 10 o'clock, starting with a rumbling noise which was followed in a few seconds with a spouting of mud and water through the drill stem to a height of sixty or more feet. This occurred at three different intervals, the last and final eruption lasting 50 minutes. Mud and water splattered the derrick timbers over half way up the 80-foot structure.

Obviously, the company whose policy is to give out not extravagant reports, said nothing about the apparent gassing, but facts leaked out yesterday. Even now Mr. Mitchell, the company's representative on the ground, and Mr. DeArmond, the driller, are very reticent in discussing the matter.

The well is now down more than 1700 feet. Drilling operations will begin again as soon as a piece of pipe long enough—which is expected today or tomorrow.

About twenty of our citizens went down to the well yesterday afternoon and satisfied their curiosity by seeing the mud-splattered timbers of the derrick 60 feet above the derrick floor.

On Friday evening of last week Mrs. J. Mack Reid and Miss Carrie Male Reid, at the home of the latter, entertained another large number of friends at bridge, with six tables. After the games a salad course and coffee were served. The guests were Mesdames Gus Alexander, Karl Talley, Edward Prather Jr., Fred Bondurant, C. T. Bondurant, T. T. Swayne, Herman Bradley, Henry Cowgill Jr., C. L. Walker, Mitchell Wright, Chester Barnes, Swayne Walker, C. B. Travis, Frank Fleming, R. B. Coffey, Milton Spradlin, George Cook, E. Dobson, W. C. ADVERTISING IS THE MAGIC KEY

Expert Prescribes it as Panacea for Business Ills.

Advertising is the magic key that unlocks the gates of commercial prosperity and floods business with new life. It is the one factor in business success, powerful enough to turn disaster into success. Its practical value lies in the fact that it stimulates consumption.

These are the viewpoints that George A. Cullen, vice president of the North American Fruit Exchange and former vice president of the Lackawanna railroad expressed when questioned as to his reasons for asking the apple growers of New York state to launch an intensive advertising campaign.

Mr. Cullen has had considerable experience with the efficiency of advertising as a medium through which to create brisk business when the commercial pulse beats slowly. He thinks the logical time for advertising is when consumption is at its lowest ebb. It is time that legitimate selling arguments should be advanced to the buying audience. He says:

He has based these convictions on this matter on observations which have just been reinforced by Bradstreet's and Dun's published report of the yearly failures of 1920, which state that of all the failures recorded during the past year 84 per cent of the firms did not advertise.

Selling any product is a matter of letting the people know what you have to sell.

Friday Mr. Cullen addressed the New York Agricultural Society at Albany and took occasion to tell the apple growers that they were making a fatal mistake by failing to advertise. In making his plea for utilizing advertising as the one medium that could be depended upon to stimulate the apple business, Mr. Cullen drew some very graphic comparisons between the enterprise of the California fruit growers and the apparent lethargy of the New York fruit and produce farmers.

Successfully to create an appetite for citrus fruits the California fruit growers invest annually \$700,000. You do not spend one cent in an effort to create an appetite for your apples and an appetite translated into commercial terms means a selling market, declared Mr. Cullen.

Inasmuch as his business interests are now centered in the fruit growing business, he said, he has investigated the advertising field from the viewpoint of a fruit grower. He is of the opinion that the same results can be obtained from advertising in the fruit field can be derived in other lines of commerce.

According to Mr. Cullen the buying public is never in a mood to buy until it has been awakened to the possibilities of advantages that will accrue from spending money. Especially during a period when money is not particularly plentiful and when all manner of indus-

try is showing signs of slitting up it will be found that shoppers are most unwilling to go into the markets. Unless a determined effort is made to show them whereby they can profit by buying at such a time business is likely to suffer serious relapses. The consistent advertiser who makes use of such slow business spells to bring his product to the public attention is the man who realizes the profits. In expressing these views Mr. Cullen said they could be reasonably applied to any kind of business.

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a general strengthening tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 50c per bottle.

CARD OF THANKS

We wish to express our sincere thanks to our neighbors and friends for their kindness shown us during the sickness and death of our husband and father and to the Ladies Aid Society of the West Hickman Baptist church for their beautiful floral offering. ANNOUNCEMENT

Mr. Edsel B. Ford, president of the Ford Motor Company, gives out the following statement:

"The price of the FORDSON Tractor has been reduced from \$700.00 to \$625.00, effective immediately.

"This price change has been made possible through lower costs of materials and the fact that we are now located in our new Tractor Plant, with greatly increased economic manufacturing facilities in immediate connection with our foundry and machine shops and large blast furnaces where iron is poured directly from the ore, giving us maximum efficiency with the power to reduce cost of production, and down comes the price in line with our policy, to market our products at the lowest possible figure without in any way affecting our high standard of quality.

"We are particularly pleased in being able to bring about this big reduction in price at this time because the farmer needs all the help we can give him, and this big cut in price will be the means of placing a valuable power unit within the reach of practically every one of them, not to mention industrial and commercial concerns which likewise have benefited through its use and are already realizing, to a much greater extent, its value as a power and hauling unit. But particularly has the FORDSON Tractor proved a most valuable factor in the saving of farm labor, at the same time increasing the per acre crop yield as well as making possible a utilization of previously uncultivated land, to say nothing of removing no end of drudgery.

There is no question that the use of machine power on the farm is the greatest advancement made in the development of agriculture, not only in money saving and money making results, as well as raising the standards of living on the farm to a much higher level, but because of its proved value in making every type of land more productive, and consequently under desire to place the FORDSON within the reach of all.

THERE IS NO CHANGE IN THE PRESENT FORD CAR AND TRUCK PRICES, which are already at the lowest possible figure, and now with rock-bottom reached on the Tractor price a further reduction in price of either the Car, Truck or Tractor is out of the question: In fact, the big price cuts have been made in anticipation of continuous maximum production, and increases may be necessary before long if a large volume of business is not obtained. Therefore, present prices can not be guaranteed against possible increases."

Ask for the book, "The Fordson at Work," which will be supplied free of cost. Let us demonstrate the value of the Fordson on your farm, in your factory, lumber yard, coal yard, or in any general hauling or power work you have to do, and let us have your order for a Fordson.
